SOURCE 25X1X

On 18 August 1953, the Soviet navy in Klosterneuburg had evacuated and left unguarded a number of buildings including the naval barracks and the harbor of Kuchelau, the naval radio station at 104 Wienerstrasse, the garage at 130 Wienerstrasse, and the houses located at 2 Alleeestrasse and at 120, 49 and 248 on Wienerstrasse. None of these buildings seemed to be used as quarters. Source learned from a friend that Soviet naval units or river vessels were no longer stationed in the Soviet-occupied zone in Austria. He also learned that the barracks installation at Kuchelau harbor was being reconditioned for Soviet Army units.
